Definitions of words your child might mention to you during the year. 😊

Class Dues – Dues are collected every year from freshman to senior year. These dues include yearbook and cap and gown fees.

Fundraisers – Various fundraisers are conducted throughout the year. These fundraisers help your child raise money for Prom, Fashion Show, Project Graduation, etc. We need your help in order to make these events successful.

Point System – These are incentives held throughout the 4 years that your child is in school. They can lessen the load of prom bids in your child's senior year. We hope this is an incentive for your child to participate in events throughout the year. This starts in the freshman year and carries through each year until their senior year. Students receive points for each fundraiser they participate in and for paying class dues. These points are used for: 1. Junior and Senior year to determine who is eligible to run for Class President, Vice-President, Secretary, and Treasurer. 2. To determine which students can model in the Senior Year Fashion Show. 3. To determine who receives free prom bids (free prom bids are given to the top 2 students in point accumulation).

Advisors – These teachers help your child throughout the year to run fundraisers, collect points and guide your child in getting points toward their prom bid.

Freshman Year

Class Advisor : Jill Fucci

♥ Class Dues \$25

♥ Preparation for Project Graduation, Fashion Show, Prom

♥ Freshman/Sophomore Parent Meeting ♥
