

Helping Hands from the Heart of the Community

Dear Parents/Guardians:

The Club Ed AfterSchool Program would like to respond to parents' need for additional services when there are 1/2 days, and when school is closed. Therefore, we are offering child care services for parents interested. There will be a small fee for services rendered on your selected days. Feel free to complete the attached form, enclose payment in a sealed envelope, and return to your school office. For more information please contact Suad Gacham, Program Director @ 201-837-9090.
