

## Reading Prompts

Things to say when your child reads at home :

"You try it!"

Does that make sense?

Think about the story...

What would make sense there?

Look at the picture.

Do we say it that way?

Break it apart.

Find a part of the word you know.

Do you know a word that looks like that?

Are you right?

Get the word started...

Does that sound right?

What could you try?

Put it together and make it sound like you are talking!

## Happy Reading!
