

Project Graduation:

Dear Parents,

I hope you have heard about our PROJECT GRADUATION! We have reserved a facility for our June 2010 class which we know will be filled with fun and excitement for our graduating seniors. The purpose of the celebration is to give the students one final fun-filled night together as a class without the dangers associated with graduation parties. It will be a well supervised drug and alcohol-free night that virtually the entire class will participate in.

After the graduation ceremony and all the photo opportunities with friends and family, the students will be bused to a "secret" location where they will enjoy a memorable evening of food, fun, games, swimming, music and other surprises. They will return to the school by bus between 5:30am and 6:00am, tired but happy and safe.

We hope that this PROJECT GRADUATION will be as successful as years past and our hope is to continue providing this important event for our future graduating classes. THIS CAN ONLY BE ACCOMPLISHED WITH PARENTAL INVOLVEMENT. We need parents to be involved with our advisory committee, fundraising and other planning activities. WITHOUT YOUR INVOLVEMENT, WE WILL NOT BE ABLE TO PROVIDE FUTURE PROJECT GRADUATIONS FOR YOUR CHILDREN.

Our next PROJECT GRADUATION meeting will be held on Tuesday, December 8 in the High School cafeteria at 7:30pm for all High School parents. We are encouraging all parents to attend so we can continue planning for June 2010.

We have already run a Softball Tournament in conjunction with the senior class and are in the process of selling our Calendar Raffles. We also have our Third Annual Dinner Dance scheduled for February 6 at the Palisadium Restaurant in Cliffside Park, and we are in the planning stages of other fundraising events, including a Texas Hold 'Em Poker Tournament, a Comedy Night, and our Second Annual Bocce Ball Tournament.

A successful PROJECT GRADUATION can only be accomplished if we continue to work together and raise the funds necessary to host such an event.

ONCE AGAIN: A Project Graduation meeting has been planned for Tuesday, December 8 @ 7:30pm in the High School cafeteria. All parents are urged to attend. Thank you.
