Dear Parent/Guardian:

It is my pleasure to announce that Sprint, the telecommunications giant, through its ConnectED initiative, has granted the Cliffside Park School District 200 free ConnectED devices that will allow, at no cost, Internet access to the neediest students in our district for the next two years.

It is our hope that these devices will bridge the gap between home and school while providing many learning opportunities for our students.

If you are a family in need and do not have Internet connectivity, please contact your building principal for details.

Sincerely,

Michael J. Romagnino
