Program Guidelines

1. NO refunds will be made for any course unless the course is canceled. Please understand that we hire staff and order materials based on projected enrollment well in advance of the start date of a course.
2. In the event a course is canceled due to insufficient enrollment, students will be refunded the entire registration fee.
3. Payment in FULL MUST accompany all applications: Please make checks or money orders payable to: Cliffside Park Board of Education.
4. Parents are responsible for dropping off and picking up their children on time. A \$10 charge will be assessed for every late pickup.
5. Courses will be held at the Middle School and High School.
6. Inappropriate behavior by students will not be tolerated. Students who are asked to leave the program because of behavior will not have their registration fees returned.
7. Students are to report to location and date indicated in course description.

Our programs are designed to teach, challenge, motivate and excite our students by keeping them active and providing self-discovery and hands-on experiences.

All of our instructors are certified teachers and are experts in their field of instruction.

JUNE 15, 2018

CLIFFSIDE PARK SCHOOL DISTRICT

SUMMER ENRICHMENT PROGRAM

A TOTAL SUMMER EXPERIENCE!!!!

2018

Summer Enrichment
A fun, relaxing program
open to all children entering
grades 3 through 12
in September, 2018

WEEK of JULY 23

What's Cooking? (FEE: \$50)

Students will prepare different foods each day. They will learn to read recipes, measure and prepare ingredients and cook healthy, nutritious foods for breakfast, lunch and dinner. Students will also create and maintain a cookbook which can be used at home.

Instructor: Mrs. Sculco/Ms. Abbott

Grades: 4th–8th Room: Cafeteria
Date: July 23–27 Time: 9am–12pm
Site: School 6

Sign Language (FEE: \$50)

This course will introduce the fundamental elements of American Sign Language. Emphasis will be based on the development of basic expressive & receptive skills.

Instructor: Ms. Biscocho Grades: 3rd- 6th
Date: July 23–27 Time 9am - 12pm
Site: School 6 Room: 215

Public Speaking & Presenting (FEE: \$50)

This course will provide students with an opportunity to develop skills that will teach them to become powerful communicators. Students will engage in activities which will teach the art of persuasion, using technology to make an impact by communicating ideas and will make presentations and deliver information more fluently and effectively.

Instructor: Ms. Chmielewski Grades: 3rd–8th
Date: July 23–27 Time: 9am-12pm
Site: School 6 Room: 109

Jewelry Making (FEE: \$50)

Students will create one of a kind necklaces, bracelets, earrings and rings using a variety of materials such as glass beads, wire and metals. Students will create at least three pieces of jewelry.

Instructor: Mrs. Vitale Grades: 3rd–6th
Site: School 6 Time: 9am-12pm
Date: July 23–27 Room: 208

Forensics (FEE: \$50)

The main focus of this course will be to emphasize the value of evidence at a crime scene and how this related evidence has become known as the crime laboratory. This course combines basic theory and real laboratory experiments.

Instructor: Mrs. Suarez Grades: 3rd–8th
Site: High School Time: 9am-12pm
Date: July 23–27 Room: 122

Prehistoric Evolution (FEE: \$50)

Students will take a trip back in time and experience some of the wild and amazing creatures that have called this planet home. From the massive insects and centipedes of the Paleozoic Period to the Mammoths and Saber-Toothed Tigers of the Cenozoic Period– see first hand just how wild and crazy evolution can be!

Instructor: Mr. Sherwood Grades: 5th–8th
Date: July 23– 25 Time: 9am-12pm
Site: School 6 Room: 211

WEEK of AUGUST 13

Intro to Coding (FEE: \$50)

Students will learn the basics of computer coding and web design. Students will plan web pages by writing HTML from scratch. They will enhance their page with the use of text formatting, graphics, images, multimedia, and produce a functional, multi-page website.

Instructor: Ms. Olifer Grades: 4th–8th
Date: Aug 13–17 Time: 9am - 12pm
Site: High School Room: 110

Lego Robotics (FEE: \$50)

This hands-on course introduces a variety of challenging activities that prepare students for a variety of STEM topics, regardless of skill level or prior knowledge. Students will demonstrate proficiency in building/engineering projects, programming games etc. Students will have the opportunity to work in the fields of robotics, electronics and computer programming.

Instructor: Mr. Guerra Grades: 6th–8th
Date: Aug 13–17 Time: 9am- 12pm
Site: High School Room: HS Library

Ceramics (FEE: \$50)

Students will learn about ceramic building. They will create pots, plates, tiles and figurines using different ceramic techniques. Each student will complete at least one ceramic project to take home. Students taking Advanced Ceramics will create more complex pieces.

Instructor: Mrs. Vitale Grades: 4th– 8th
Date: Aug 13–17 Time: 9am–12pm
Site: School 6 Room: 208

Marine Life /Shark Dissections (FEE: \$70)

Students will learn the basics of marine biology, dissect a shark, and take a full day trip to the beach to explore organisms that can be captured with a seine net.

Instructor: Mr. Helm Grades: 5th– 8th
Date: Aug 13–17 Time: 9am–12pm
Date: Aug 17 Field trip Time: full day
Site: School 6 Room: 211

Medical Microbiology (FEE: \$50)

This course will teach the basics of pathogenic contagions using a variety of patterns. Microscope slides as well as electron microscope images will clarify the structures of viral, bacterial and prion diseases.

Instructor: Mr. Helm Grades: 5th– 8th
Date: Aug 13–16 Time: 1pm — 4 pm
Site: School 6 Room: 211

WEEK of AUGUST 20

Transition to MS (FEE: \$10)

This program will transition students into the MS environment. Students will be immersed in the experience as they follow a regular day schedule, while learning all the opportunities they can take advantage of. The goal is to ease the anxiety of the opening of school.

Instructor: Mrs. Foster Grade: 6th going into 7th
Date: Aug 20 - 21 (Schools 3/4) Time: 10am - 12pm
Date: Aug 22 - 23 (Schools 5/6) Site: School 6

Drones (FEE: \$50)

Introduction to Drones is a course designed to introduce students to the many functions of drones for both utility and entertainment. Students will practice flying via simulators, learn safety and parts of the drone and finally pilot actual drones through fun challenges.

Instructor: Mr. Guerra Grades: 5th– 8th
Date: Aug 20–24 Time: 9am–12pm
Site: High School Room: HS Library

American Road Trip Cooking (FEE: \$50)

Students will discover regional flavors from all across the United States. Students will have the opportunity to taste samples of simply delicious cuisines– they will also brush up on their geography skills!

Instructor: Ms. Salvatierra Grades: 3rd- 6th
Date: Aug 20–24 Time: 9am-12pm
Site: School 6 Room: café

Science Experiments (FEE: \$50)

Join us on an exciting adventure creating glop and other fascinating scientific concoctions! Students will discover the secrets of kitchen science, light, physics and more by experimenting with various materials and finding out how things work. Students will conduct and observe experiments, investigate reactions, create scientific projects and learn how science is all around us.

Instructor: Mrs. Ferrante Grades: 3rd - 7th
Date: Aug 20–24 Time: 9am-12 pm
Site: School 6 Room: 211

Engineering to New Heights (FEE: \$50)

This course is designed to provide students with a broad exposure to the variety of engineering disciplines such as aerospace, civil and environmental. This is a hands-on course in which students will develop an original engineering design. Students will think as scientists and design towers and bridges, pilot balloons and parachute and design a solar cooker for a trip to space!

Instructor: Ms. Marte/ Ms. Pesa Grades: 5th–8th
Date: Aug 20–24 Time: 9am-12pm
Site: School 6 Room: 211

Astronomy (FEE: \$50)

Using hands on demonstrations, students will be constructing models of the solar system and of the newly discovered Trappist 1 system.

Instructor: Mr. Toman Grades: 4th– 8th
Date: Aug 20–24 Time: 9am–12pm
Site: High School Room: 126
