

# **2nd Grade Supply List**

Dear Families,

We are excited to meet your children on the first day of school and begin a fun filled 2nd grade learning experience. But we need your help to make the first days of school run smoothly. We are asking you **NOT** to send in all supplies on the first day. We would like you to send in supplies following the schedule below. This will make the days go by smoothly and we can spend less time sorting out the supplies on the first day. This will leave us with more time for other activities.

Thank you so much for your continued support and cooperation.

Sincerely,

Your 2nd Grade Teachers
