5512. HAZING

5512. HAZING

[See POLICY ALERT Nos. 151, 162, 163 and 168]

The Board of Education believes hazing activities of any type are inconsistent with the educational process and the Board prohibits all such and hazing behavior at any time on school premises, at any school-sponsored function or on any school bus.

"Hazing" means the performance of any act or the coercion of another to perform any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

All staff members, pupils and school volunteers shall be alert to possible behavior, circumstances, or events that might include hazing. A person who detects hazing and/or planned hazing shall immediately inform the pupil(s) involved of the prohibition against this behavior and/or conduct and direct them to immediately cease all such behavior and/or conduct. All such incidents must be reported to the Building Principal.

The Building Principal will report to the Affirmative Action Officer and the Superintendent any incident reported from a staff member, pupil, parent, legal guardian or any other source. The Building Principal will also report information received from anonymous sources, however, any formal disciplinary action will not be taken solely on the basis of an anonymous report.

There will be no reprisals or retaliation against any person(s) making such report of hazing behavior. Any allegations of reprisals or retaliation shall be reported directly to the Building Principal who will investigate such allegations and take appropriate action if the allegations are confirmed and/or if the person is found to have falsely accused another as means of retaliation or as a means of hazing.

The Building Principal or designee will immediately investigate any report of actual or planned hazing.

If the investigation determines hazing behavior was planned or was present, the administration will take reasonable, age-appropriate and effective corrective action to end the behavior which may include, but is not limited to, counseling, warning, and/or disciplinary action. The administration may need to provide support services to the pupil(s) that was to remedy the past hazing behavior.

Nothing in this Policy prohibits the Affirmative Action Officer from complying with the requirements of the district's Affirmative Action Program as outlined in Policy 1550 and N.J.A.C.

6A:7-1.1 et seq.

The Building Principal, in conjunction with the Affirmative Action Officer, will develop and conduct training and information programs for all school staff, pupils, parents and interested community members on the district's Hazing Policy.

Any pupil organization that seeks to organize and perpetuate itself by taking in members based on the decision of the membership of the organization, rather than from the free choice of any pupils who are otherwise qualified to fill the special aims of such organization, is prohibited.

This Policy shall be published in pupil and staff handbooks upon its adoption by the Board. The Board will seek school community input prior to the initial adoption and any revisions to this Policy.

This is to inform you of modifications that have been made to the *Model Policy and Guidance for Prohibiting Harassment, Intimidation and Bullying on School Property, at School-Sponsored Functions and on School Buses* to reflect changes made to the authorizing statute in 2007 and 2008 and clarify key points for policy development. The revised Model Policy and Guidance can be found at <http://www.state.nj.us/education/parents/bully.htm>. The Model Policy and Guidance has been developed, as required, in support of *N.J.S.A. 18A:37-13 et seq.* and *N.J.A.C. 6A:16-7.9*, which can be found at <http://www.state.nj.us/education/code/current/title6a/chap16.pdf>. The statute and regulations mandate the adoption and implementation of school district harassment, intimidation and bullying (HIB) policies and procedures.

In addition to reorganizing the document for ease of use and providing general clarifications and points of emphasis, the revised Model Policy and Guidance includes the following citations and references to amendments to the authorizing statute that:

- n Define the term "electronic communication" (*N.J.S.A. 18A:37-14*) as it pertains to HIB;n
- n Require the district board of education's policy definition of HIB to include "electronic communication," (*N.J.S.A. 18A:37-14* and *15.1*), as defined in *N.J.S.A. 18A:37-14*; andn
- n Require the district board of education's policy to include a requirement that the HIB policyn be posted on the school district's website and distributed annually to parents and guardiansn who have children in a school in the school district [*N.J.S.A. 18A:37-15(3)(b)(11)*].n

In addition, you are advised of the following regarding the HIB policy:

- n The district board of education was required to amend its HIB policy by November 6, 2007n to include "electronic communication," as defined in *N.J.S.A. 18A:37-14*.n
- n The district board of education was required to amend its policy, if necessary, by January 13,n 2008, to comply with *N.J.S.A. 18A:37-15.2*, which includes requirements for HIB policyn amendments regarding website postings and notification to students and parents of then website posting.n
- n The district board of education's HIB policy must comply with *N.J.A.C. 6A:16-7.9* and,n pursuant to *N.J.A.C. 6A:16-7.1(a)7*, must be consistent with and integrated into the districtn board of education's code of student conduct, pursuant to *N.J.A.C. 6A:16-7.1*.n
- n The district board of education's revised and/or current HIB policy must be on file at then county office of education, pursuant to *N.J.S.A. 18A:37-15.1(2)(a)*.n

- t For each person who *commits* an act of HIB, the district board of education's policy must address:t
 - *Consequences* that are varied according to the nature of the behavior, the developmental age of the student and the student's history of problem behaviors and performance, which are consistent with the district's code of student conduct; andt
 - *Remedial actions* which reflect the range of responses included in the policy and that are consistent with the district's code of student conduct.t
- t For each *victim* of HIB, the district board of education's policy must include the *supportive actions* school district staff will take to provide victims with the opportunity to learn in safe,t non-threatening and disciplined environments.t
- t For *victims of violent criminal offenses*, the district *must offer school transfers* in accordance with the federally mandated Unsafe School Choice Option (USCO) policy, which can be found at <http://www.state.nj.us/education/grants/nclb/policy/unsafe.htm>. The USCO policy explains the *criteria that must be used to determine* when an enrolled student *has become a victim of a violent criminal offense* and summarizes the applicable offenses.t
- t The district board of education's responses to HIB must include corrective actions for documented systemic HIB problems.t

Please review your district board of education's existing HIB policies and procedures to ensure consistency with the amended authorizing statute at *N.J.S.A. 18A:37-13 et seq.*, the regulations at *N.J.A.C. 6A:16-7.9* and to address the considerations in the Model Policy and Guidance. 5512.01. HARASSMENT, INTIMIDATION, AND BULLYING (M)
5512.01. HARASSMENT, INTIMIDATION, AND BULLYING (M)

Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

Harassment, intimidation, or bullying means any gesture, written, verbal or physical act, or any electronic communication, that takes place on school property, at any school-sponsored function or on a school bus and that:

- 1.1 Is motivated by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
- 2.1 By any other distinguishing characteristic; and
- 3.1 A reasonable person should know, under the circumstances, that the act(s) will have the effect of harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of harm to his/her person or damage to his/her property; or
- 4.1 Has the effect of insulting or demeaning any pupil or group of pupils in such a way as to cause substantial disruption in, or substantial interference with, the orderly operation of the school.

Electronic communication means communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or pager.

Acts of harassment, intimidation, or bullying may also be a pupil exercising power and control over another pupil, either in isolated incidents (e.g., intimidation, harassment) or patterns of harassing or intimidating behavior (e.g., bullying).

This policy may impose consequences for acts of harassment, intimidation, or bullying that occur off school grounds, such as cyber-bullying (e.g., the use of electronic or wireless devices to harass, intimidate, or bully), to the extent this policy complies with the provisions of N.J.A.C. 6A:16-7.6.

Conduct Away from School Grounds, and the district's code of pupil conduct, pursuant to N.J.A.C. 6A:16-7.1. In all instances of harassment, intimidation, or bullying behavior occurring off school grounds, the consequences only may be exercised when it is reasonably necessary for the pupil's physical or emotional safety and well-being or for reasons relating to the safety and well-being of other pupils, staff or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2, and when the conduct which is the subject of a proposed consequence materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. All acts of harassment, intimidation, or bullying that include the use of school property (e.g., school computers, other electronic or wireless communication devices) apply to the provisions of N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.9, harassment, intimidation, and bullying, whether the subject or recipient of the bullying is on or off school property.

Expected Behavior

The Board expects pupils to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other pupils and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the code of pupil conduct.

The Board believes that standards for pupil behavior must be set cooperatively through interaction among the pupils, parent(s) or legal guardian(s), staff and community members, producing an atmosphere that encourages pupils to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of pupils, staff and community members.

The Board believes the best discipline is self-imposed, and it is the responsibility of school district staff to use instances of violations of the code of pupil conduct as opportunities to help pupils learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with pupils shall apply best practices designed to prevent pupil conduct problems and foster pupils' abilities to grow in self-discipline.

General guidelines for pupil conduct will be developed by the Superintendent, in conjunction with school staff, and approved by the Board. These guidelines will be developed based on accepted core ethical values from a broad community involvement with input from parent(s) or legal guardian(s) and other community representatives, school employees, volunteers, pupils and administrators. These guidelines for pupil conduct will be suited to the developmental ages of pupils, the severity of the offenses and pupils' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This policy requires all pupils in the district to adhere to these rules and guidelines and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules and guidelines.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Pupils are encouraged to support other pupils who walk away from these acts when they see them, constructively attempt to stop them, and report these acts to the Building Principal or designee.

Pupils are required to conform to reasonable standards of socially acceptable behavior; respect the

person, property and rights of others; obey constituted authority; and respond to school district teaching, support and administrative staff. Each Building Principal will develop and provide a school-based program for appropriate recognition for positive reinforcement for good conduct, self-discipline, good citizenship and academic success.

Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for pupils who commit one or more acts of harassment, intimidation, or bullying, consistent with the code of pupil conduct and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by pupils. Oral reports shall also be considered official reports. Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

A school employee who promptly reports an incident of harassment, intimidation, or bullying in accordance with this policy, and who makes this report in compliance with the procedures set forth in this policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident, as set forth in N.J.S.A. 18A:37-16.c.

Investigation

The Principal or designee is responsible for determining whether an alleged act constitutes a violation of this policy. The Principal or designee shall conduct a prompt, thorough and complete investigation of the alleged incident. The Principal or designee will maintain a record of each investigation regarding allegations of harassment, intimidation, or bullying.

An appropriate response will be provided to the individual who commits any incident of harassment, intimidation, or bullying. Some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that require a response either at the classroom, school building or school district level or by law enforcement officials.

Consequences and appropriate remedial actions for pupils who commit an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37-1, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term Suspensions, N.J.A.C. 6A:16-7.3, Long-term Suspensions and N.J.A.C. 6A:16-7.5, Expulsions.

In considering whether a response beyond the individual level is appropriate, the administrator shall consider the nature and circumstances of the act, the degree of harm, the nature and severity of the behavior, past incidences or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred. The school district's responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based bullying prevention program models, to training for certificated and non-certificated staff. The district's responses may also include participation of parent(s) or legal guardian(s) and other community members and organizations, small or large group presentations for fully addressing the actions and the school district's response to the actions, in the context of acceptable pupil and staff member behavior and the consequences of such actions, and the involvement of law enforcement officers, including school resource officers. POLICY GUIDE

Cliffside Park School District

Pupils

5512.02. CYBER-BULLYING

Policy Statement

A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Cyber-bullying by a pupil in the district directed toward another school district pupil or school staff member is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe environment.

The Board of Education prohibits acts of cyber-bullying by school district pupils through the use of any school district owned, operated, and supervised technologies. The Building Principal or designee may report allegations of cyber-bullying to law enforcement authorities.

Definitions

"Cyber-Bullying" is the use of electronic information and communication devices, to include but not be limited to, e-mail messages, instant messaging, text messaging, cellular telephone communications, internet blogs, internet chat rooms, internet postings, and defamatory websites, that:

- 1.1 Deliberately threatens, harasses, intimidates an individual or group of individuals; or
- 2.1 Places an individual in reasonable fear of harm to the individual or damage to the individual's property; or
- 3.1 Has the effect of substantially disrupting the orderly operation of the school.

"School district owned, operated, or supervised technologies" is any computer, networking system, electronic equipment, or any other equipment or device that may be used by a person to communicate to another which is owned, leased, operated, or under the control or supervision of the school district and/or school district staff.

Reporting Procedure and Investigation

Any pupil or school staff member who believes he/she has or is being subjected to cyber-bullying, as well as any person who has reason to believe a pupil or school staff member has knowledge or reason to believe another pupil or school staff member is being subjected to or has been subjected to cyber-bullying shall immediately make a report to the Building Principal or designee.

The Building Principal or designee shall investigate all reports of such conduct. If the

investigation results indicate cyber-bullying was not committed, the Building Principal or designee will inform the affected parties of the investigation results. In the event the investigation results indicate cyber-bullying was committed by a school district pupil on school grounds and/or using school district technologies, the pupil will be subjected to appropriate discipline.

In the event the investigation results indicate cyber-bullying was committed by a school district pupil using non-school district technologies away from school grounds, the Building Principal or designee may report the investigation results to local law enforcement. In addition, school authorities have the right to impose a consequence on a pupil for conduct away from school grounds, including on a school bus or at a school-sponsored function pursuant to N.J.A.C. 6A:16-7.6. This authority shall be exercised only when it is reasonably necessary for the pupil's physical or emotional safety, security, and well-being or for reasons relating to the safety, security, and well-being of other pupils, staff, or school grounds, pursuant to N.J.S.A. 18A:25-2 and 18A:37-2. This authority shall be exercised only when the conduct, which is the subject of the proposed consequence, materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. Consequences shall be handled in accordance with Policy and Regulation 5600, N.J.A.C. 6A:16-7.1, and as appropriate, in accordance with N.J.A.C. 6A:16-7-2, 6A:16-7.3, or 6A:16-7.5.

Any investigation regarding an allegation of cyber-bullying will provide all parties the appropriate due process rights, including the right to appeal the determination of the Building Principal or designee as outlined in Regulation 5512.

Discipline and Consequences

Some acts of cyber-bullying may be isolated incidents requiring the school district to respond appropriately to the individual committing the acts. Other acts may be so serious or part of a larger pattern of cyber-bullying that require a response either at the classroom, school building, or school district level or by law enforcement officials.

Consequences and appropriate remedial actions for pupils who commit an act of cyber-bullying range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37-1, Discipline of Pupils. The Board of Education believes that the schools should help pupils learn to respect property and to develop feelings of pride in community institutions. The Board charges each pupil enrolled in this district with responsibility for the proper care of school property and the school supplies and equipment entrusted to his/her use.

Pupils who cause damage to school property will be subject to disciplinary measures. The Board authorizes the imposition of a fine for the loss, damage, or defacement of a textbook and reserves the right to withhold a report card or diploma from any pupil whose payment of a fine is in arrears.

A pupil who demonstrates chronic and/or serious disregard for property may be referred to the Child Study Team.

The Superintendent shall develop rules for the safekeeping and accounting of textbooks and prepare a schedule of fines for lost and damaged textbooks.
