**To Tenaflly High School:** *(used for volleyball, basketball, wrestling)*

\***Traveling south on Knickerbocker Road** from Demarest to the Cresskill circle – ½ way around the circle and continue south on Knickerbocker into Tenaflly. The 3<sup>rd</sup> intersection in Tenaflly is Columbus Drive. (Hickory, Newcomb & then Columbus). Left on Columbus – down the hill through the traffic light at Jefferson and continue straight on Columbus – the high school entrance will be on your left two blocks after the traffic light. Teams playing at the high school (volleyball, basketball, wrestling) should drop athletes off on the circle.

The gym entrance is through the small parking lot on the east side of the building. BUSES SHOULD NOT ENTER THAT SMALL LOT – TOO DIFFICULT/DANGEROUS TO TURN AROUND.

**To behind Tenaflly High School:** *(used for softball, baseball, soccer, freshmen tennis)*

\***The following sports** (softball, baseball, freshmen tennis, soccer) are played behind the high school. Buses should turn left before the circle entrance to the school and follow Westerly Drive to the end. Athletes depart their bus and walk to the fields located behind the school for the above listed sports.

\***Baseball teams** may wish to follow these directions to be closer to that field. When coming down Columbus Drive to the traffic light take a left hand turn on to Jefferson Avenue. Four short blocks north on Jefferson to Davenport Road. Turn right on Davenport which dead ends at the varsity baseball field.

**To Geissinger Field:** *(used for football, track and Varsity & JV tennis)*

\* **Continue on Knickerbocker Road south** one block past Columbus to Sunset Lane. Left on to Sunset Lane – down the hill to the stop sign. Geissinger Field is located directly ahead on the right. Parking for these events and high school events is located in the Tenaflly Middle School lot which is at the end of Sunset Lanes. For tennis turn right from Sunset La. at the stop sign on to Jefferson Avenue. Just beyond Geissinger Field there is a left hand turn in to a small parking lot near a little league field. The “Commons Tennis Courts” are located at the end of that small lot.
