October 2020

Dear Parents/Guardians:

Thank you for the support you have given your child's classroom teacher during their participation in our hybrid in-class/remote program.

Due to the many challenges that our classroom teachers encounter each day addressing the needs of both in-school and remote students, I have decided that it is in everyone's best interest to suspend all Halloween activities for this school year.

Please do not send your child to school in a costume on Friday, October 30th. This will allow for the continued safety of our staff and students by practicing social distancing and the wearing of masks. Although this might be a disappointment for students, they can take part in family planned activities on Saturday October 31st.

Thank you for your understanding in this matter.

Sincerely,

Michael J. Romagnino
Superintendent of Schools
