Dear Parents/Guardian;

Today the entire Cliffside Park School Community is grieving the horrific event that took place yesterday at the Robb Elementary School in Uvalde, Texas.

Please be assured that with the support of our Board of Education and my entire administrative team we have in place all state-mandated security procedures that provide for the well-being and safety of your children and our staff. In addition, we are very fortunate to have a partnership with the borough that allows us to employ retired armed police officers in each of our schools with additional police presence in and around our school properties.

Counseling for your children is always available in all of our schools for those who may need the mental and emotional support from our professionals.

If you have any questions, please feel free to contact your child's Principal or my office.

Sincerely,

Michael J. Romagnino
